This Price List applies to legal entities, individual entrepreneurs and individuals, residents and non-residents of the Republic of Belarus. Cost of services for non-residents of the Republic of Belarus is calculated in the foreign currency stated in the contract by the following formula: the cost of services without VAT in Belarusian rubles divided by the foreign currency exchange rate set by the National Bank of the Republic of Belarus effective on the day of issuance of the invoice (service acceptance certificate) minus 2 (two) percentage points. Foreign currency invoice is valid for three banking days.

- 1 The service is applied from the day following the day of completion of customs clearance of all goods in the vehicle.
- 2 Consolidated cargo (goods) is cargo shipped to two or more consignees (consignors) in one vehicle regardless of the number of sets of shipping documents of each of the consignees (consignors). Services stated under no. 9 and no. 10 are rendered only on the next day to consignees (consignors) that have not been cleared by customs.
- 3 Applies for rack storage only.
- 4 Applies to goods not covered by storage acceptance certificates
- 5 Over-sized cargo is cargo (cargo items) with height over 2.0 meters and width/length over 1.2 meters
international mail, express cargo is single foreign trade operator in one single vehicle. If one foreign trade operator has two or more cargoes, the unit of measurement is
- 6 "batch", the maximum weight of duty-free imported goods is established by the legislation of the Republic of Belarus. Added cost for each full or incomplete 0.5 kg is 0.20 Belarusian rubles
- 7 Storage temperature mode is +2 to +6 °C.
- 8 Charged for each type of operations.
- 9 Includes forklift relocation to storage/inspection area
- 10 Payable for every full and incomplete 30 minutes. If operation takes less than 30 minutes, service charged is calculated as per 30 minutes.
- 11 UCM - unified control mark, VI - visual identification, self-adhesive excise stamps only
- 12 The service includes searching for goods with the required article, stacking the goods into (on) the cargo place
- 13 The service includes finding the package (box) with the required goods, without opening it, stacking the package on the cargo place

Comment

Regardless of the time when vehicle enters the customs control zone, the day of entry and the day of exit from the CCZ are counted as full days.

Regardless of the time the goods are placed in the warehouse, the day of placement and the day of issue of goods are counted as full days.

If the goods are placed in an area of less than 1 square meter, the storage fee is charged as per 1 square meter.

The invoice for storage service at the temporary storage warehouse, customs warehouse, consignment warehouse shall be issued at least once a month.
