This Price List applies to legal entities, individual entrepreneurs, natural persons resident in the Republic of Belarus, as well as non-residents of the Republic of Belarus

1 Over-sized cargo is cargo (cargo items) with height over 2.0 meters and width or length over 1.2 meters

2 Includes forklift relocation to storage/inspection area, palletizing not included

3 Payable for every full and incomplete 30 minutes. If operation takes less than 30 minutes, service charged is calculated as per 30 minutes.

4 UCM - unified control mark, VI - visual identification, self-adhesive excise stamps only

5 The service includes searching for goods with the required article, stacking the goods into (on) the cargo place

6 The service includes finding the package (box) with the required goods, without opening it, stacking the package on the cargo place

7 Acceptance operation fees include charge for acceptance, warehouse cargo processing (recount, measurement (if necessary), package integrity check, accounting, registration of cargo)

Comment

Regardless of the time the goods are placed in the warehouse, the day of placement and the day of issue of goods are counted as full days.

If the goods are placed in an area of less than 1 square meter, the storage fee is charged as per 1 square meter.

Storage service acceptance certificate at the consignment warehouse is issued under the contract at least once a month.
